PROCLAMATION FOR GOOD ROADS CONVENTION

WILL MEET IN LAS VEGAS—GOVERNOR OTERO APPOINTS LIST OF DELEGATES.

The good roads convention, to be held in Las Vegas in connection with the first annual northern New Mexico fair, on September 26 and 27, has attracted much interest throughout the territory and elsewhere, and there is little doubt that the cause of better highways in New Mexico will be greatly advanced by the meeting. Governor Otero, who has been asked to open the convention, has issued the following official proclamation, designating the delegates who will represent the various counties at the good roads meet:

"Whereas, The question of good roads building is now receiving official and general consideration and discussion throughout the various states of the Union, and

"Whereas, The territory of New Mexico, through its legislative assembly, has identified itself by various enactments providing for the construction of roads, notably the scenic highway from Santa Fe to Las Vegas, crossing the Pecos forest reserve; the Camino Real, from the northern boundary of the territory of New Mexico to its southern boundary, near the place known as Anthony, on the Texas border; and

"Whereas, The territory of New Mexico has been the first in successfully employing prison labor in the construction of public roads; and

"Whereas, The people of the territory of New Mexico, of all classes, are interested in good roads building, thereby adding in the growth of cities and towns as well as in rendering accessible all communities adjacent thereto; and

tory of New Mexico, as follows: R. E. Twitchell, chairman, Las Vegas; F. H. Pierce, J. S. Clark, Las Vegas; H. O. Bursum, Arthur Sellman, Charles Closson, N. Salmon, Frank Owen, D. M. White, Santa Fe; C. M. Bayne, J. Van Houten, Charles Springer, A. L. Hobbs, M. B. Stockton, Raton; A. L. Kendall, Corralitos; Alfred Grunsfeld, Frank McKee, Geo. L. Brooks, Albuquerque; R. P. Ervin, C. Otto, Clayton; Tito Melendez, Juan Navarro, Mora; J. F. Hinkle, H. J. Hagerman, Roswell; H. D. Bowman, Oscar Snow, H. B. Holt, Las Cruces; F. G. Tracey, L. O. Fullen, Carlsbad; W. D. Murray, Central; Henry Lutz, Lincoln; J. A. Rolis, M. D. Watrous, Gallup; J. Q. Aguilar, Wagon Mound; V. Jaramillo, E. Rito, B. C. Hernandez, Tierra Amarilla; T. C. Hunt, Texico; E. A. Miera, Cuba; Max Kohler, Hillsboro; T. P. Martin, Taos; Solomon Luna, Los Lunas; John Becker, Belen; C. T. Brown, W. E. Martin, El Paso; J. A. Mahoney, Deming; Frank Bond, Espanola; J. S. Abbott, Springer, to attend a good roads convention to be held in the city of Las Vegas September 26 and 27, and that said convention may have representation from each city, town and county in the territory, it is suggested that the mayor of each incorporated city and town appoint twenty delegates to attend said convention, and that the chairman of the board of county commissioners of each county appoint twenty delegates to said convention, to represent the county therein.

I would recommend that the delegates from cities, towns and counties be appointed at the earliest possible date, and that where any delegate appointed is unable to attend the convention that he send his proxy, or some one who will act for him in order that there may be a full expression of opinion and a full consideration of the great questions that will be presented to the convention, and that each community in the territory may have full representation.

"Done at the executive office, this 29 day of July, A. D. 1905.
"Witness my hand and the great seal of the territory of New Mexico.
"MIGUEL A. OTERO."

J. W. RAYNOLDS, Secretary of New Mexico.

NEW MEXICO READY FOR GOOD ROADS CONVENTION

A Las Vegas dispatch says: A message was received from Governor Otero announcing that the New Mexico good roads convention would meet in Las Vegas September 26 and 27.

"Considerable work has already been done by the promoters, and a number of nationally prominent good roads advocates will deliver addresses. Las Vegas, owing to the scenic highway built from that city to Santa Fe by convict labor, takes rank as the good roads center of the territory, but it is proposed to arouse interest in every part of New Mexico, with a view to securing roads as good as any in the union.

Public Is Aroused.
The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. THE ROMANCE OF BROTHERS WITH IDENTICAL NAMES.

The result of the similarity in name, appearance and actions and tastes of two young Mexicans residing near Phoenix, is that they have married young brides who are sisters. The men are brothers, being the sons of Antonio Martinez. The father liked his own name so well that he named both his sons Antonio, and to distinguish them they are called Antonio Martinez No. 1, and Antonio Martinez No. 2.

On coming to manhood's estate, they naturally entertained thoughts of love, but could not marry the same girl. They did the next thing to it and the probate court recently issued licenses to Martinez No. 1 and Petra Rodriguez, and to Antonio Martinez No. 2 and Candelaria Rodriguez.

TOMBSTONE WILL HAVE A HANGING AUGUST 11.

Preparations are shortly to be made by Sheriff Hunt for the execution of E. Erida, known as "Chappo," which is a nickname for "shorty." The execution will take place in the jail yard, on August 11th. "Chappo" is still hopeful of a reprieve from Governor Kibbey or President Roosevelt. He continually asserts his innocence, and claims to have been asleep in his bed when the killing of Wight occurred; however, if die he must, he will die bravely. The doomed man, who is about 19 years of age, is visited frequently at the jail by two of his sisters, who are deeply affected by the knowledge of sentence of death, and the suspense of awaiting official clemency.

The jail officials state that "Chappo" has not given them the slightest trouble, and wears his legs loose without a murmur.

Of the three Mexicans charged with the murder of Wight, Erida was sentenced to be hanged, Ramon Roreno received life sentence and E. Figueroa ten years in the penitentiary.

The deed was committed in the brush in the early afternoon, but not until 11 o'clock Wednesday night was he found unconscious.
